

XII NTAG – Call for paper abstracts

The organizing committee is now inviting abstracts for individual papers for the XII NTAG in Oulu, Finland, April 25th–28th, 2012. Abstracts should be up to **200 words**. They should include a title, author's name, affiliation, and e-mail. Please submit the abstracts at the latest by **December 22nd, 2011**. The paper abstract should be sent both to the session organisers and the organizing committee. A list of sessions and the contact details of the session organisers can be found at <http://www.ntag oulu.fi/Abstract.html>.

The XII NTAG – Nordic Theoretical Archaeology Group is a recurrent Scandinavian conference that focuses on debating central theoretical questions and perspectives within archaeology. The conference brings together archaeologists and archaeology students in all branches of the discipline at Scandinavian universities, museums and other institutions concerned with the study of past.

For further information, please visit our web pages www.ntag oulu.fi or contact conference secretary at ntag@oulu.fi.
